

【小型複合耐火爐】

依據規範：CNS 15814-1

適用範圍：建築用貫穿部之防火材料測試。

判定項目：貫穿部耐火材料之遮焰及阻熱性能

【Small composite Fire Resistance furnace】

Confirmed standard: CNS 15814-1.

Scope of application: Fire resistance test for assessing the contribution of a penetration seal to the fire resistance of separating element.

Verification: Fire Integrity and Fire Insulation properties of penetration seals.
